## PROFILE

Sanjay Bhasin is a highly experienced Master Mariner, with extensive seagoing experience in all ranks, including Master of dry cargo vessels, including reefers, bulk carriers, container and offshore vessels.

After coming ashore in 1999, he worked with a leading company of P&I Correspondents in South Africa, where he was promoted to Marine Manager in 2002. During this period, he investigated a number of marine incidents, including collisions, groundings, unsafe ports, fires and personal injuries. He is widely experienced in the collection of evidence.

He has provided expert opinions to Solicitors and P & I Clubs on a variety of marine issues and has appeared as an expert witness in arbitration.

---
